PRIVATE RENTAL

A RARE OPPORTUNITY FOR TWO NEW MATES TO COMPLETE OUR HAPPY HOME

THE HOME

Our home is not a disability group home. It is privately rented by four mates and we live together much like many other people - with growing independence, shared responsibility, and the right support when needed.

This is a great opportunity to join a well-established home that offers both choice and connection within a long-term, secure tenancy.

MUST LOVE LAUGHING!

We share a harmonious, settled, comfortable, spacious, and happy environment. This is a socially engaged and busy household (made up of big Collingwood supporters!). We enjoy getting out and about, as well as watching and playing sport and pursuing other interests together - especially basketball. Family and friends are regularly part of the mix, so our home is a social and welcoming place.

We are looking for new mates as well as housemates - someone who'd enjoy fitting into a relaxed, active, and friendly home. Are you considerate, willing to develop skills and share in household routines? Are you willing to join with us, and with support from our staff, make our home a happy working household? A great fit would be someone social who enjoys joining in group activities, while still having their own interests - just like us. We value a positive attitude, a good sense of humour and someone who is interested to communicate their feelings openly and who listens to others.

THINGS TO LOVE ABOUT OUR HOME

- Four bedrooms, two bathrooms, multiple living areas and a big garden with undercover entertaining.
- A quiet, leafy road in a prime Eltham position.
- Walking distance to Eltham town centre and Eltham Leisure Centre.
- Close to a bus stop and about 20 minutes walk to Eltham station (Hurstbridge Line).
- Multiple local parks, walking and bike paths, and green spaces to enjoy.

IN HOME SUPPORT

The home operates with scheduled support during morning and evenings throughout the week, rather than continuous 24-hour staffing. We are looking for someone who feels comfortable living independently between scheduled support times and is confident accessing help if they need it. Our preference is that Araluen remains the sole support provider in the home (negotiable).
